

Alliance for Substance Abuse Prevention

# *“Looking For A Way Out”*

*A Guide to Addiction Treatment  
And Education Resources  
In Trumbull County & the Surrounding Area*

This publication was produced by the Trumbull County Mental Health and Recovery Board and the Alliance for Substance Abuse Prevention (ASAP). This guide to resources in Trumbull County is for individuals seeking help with substance misuse and addiction. You may be looking for help for yourself or for a friend or family member. We hope this information will open some doors to finding help. Addiction is a complex and crippling condition. The needs are many, but the number of places to turn is growing and changing. Please directly contact agencies listed in this guide for the most current information.

**Please Note:**

These listings are not intended as recommendation of specific agencies nor can this be considered a complete list of resources. It is an evolving field and we hope to be able to update this informational guide periodically.

**IF YOU NEED HELP NOW FOR A DRUG CRISIS OR**  
**MENTAL HEALTH ISSUE**  
**24/7 CRISIS AND REFERRAL SERVICES**

***Coleman Access Center***

Provides 24-hour services for individuals experiencing emotional crisis. Services include consultation and referral, support and emergency mental health and substance abuse assessments. Emergency assessments are available at the Coleman Access Center or the local hospital emergency department. Anybody looking for detox, regardless of ability to pay, should start here.

103 W. Market Street, First Floor

Warren, OH 44481

(330) 392-1100

***THE HUB FOR TREATMENT IN TRUMBULL COUNTY*****Trumbull County Mental Health and Recovery Board**

The mission of the board is to improve the well-being of our community by establishing and maintaining an effective, efficient and quality system of alcohol, drug and mental health services in Trumbull County. The board supports recovery by providing funding to agencies for education, treatment, prevention and support services. The board collaborates with many agencies and coordinates needed services.

4076 Youngstown Rd., Suite 201

Warren, OH 44484

**DRUG FREE COMMUNITY COALITION*****Alliance for Substance Abuse Prevention (ASAP)***

ASAP is a community project of the Trumbull County Mental Health and Recovery Board. The coalition engages in strategic partnerships to solve our community's substance abuse problems. The ASAP coalition was originally organized as a response to the underage alcohol use problem in Trumbull County. The coalition served as the catalyst behind the countywide "Parents Who Host Lose the Most" campaign. As members of the coalition became aware of the opiate epidemic in our County, they decided to tackle the issue and the ASAP Opiate Task Force was formed. Since this time, the Task Force has returned to operating as the ASAP coalition and addresses prevention of addiction from all substances and other problem behaviors. The coalition meets monthly and focuses on providing community education, and leading community wide change. Call for information on how to get involved. Or "Like" the Alliance for Substance Abuse Prevention (ASAP) on Facebook and Instagram.

***Alliance for Substance Abuse Prevention (ASAP)***

[www.TrumbullMHRB.org](http://www.TrumbullMHRB.org)

## **WALK-IN HOURS**

Many times, the desire to stop drinking, or using drugs, comes on suddenly and requires immediate attention. There are a number of agencies in Trumbull County that offer drug and alcohol assessments without an appointment. During a drug and alcohol assessment, questions will be asked to determine whether or not a person has a drug or alcohol problem. The findings of the assessment will be used to connect the individual with the most appropriate level of treatment. Assessments are provided on a first come, first served basis at the following agencies:

### ***Brightview***

1924 East Market St  
Warren, OH 44483  
(833) 510-4357  
Monday- Friday: 8:00am -3:00pm

## **OVERDOSE EDUCATION AND NALOXONE DISTRIBUTION**

***Project DAWN of Trumbull County is a completely free*** community-based drug overdose education and Naloxone distribution program. ***Naloxone is used to reverse opiate overdoses. There is no cost to receive a Project DAWN kit.*** All participants receive 2 vials of intranasal Naloxone in a Project DAWN kit.

**Project DAWN Naloxone kits are now available as a free mail order program** if you are a resident of Trumbull County. You can click the link below: you will be required to watch the training video, verify that you watched it, complete a questionnaire, and provide your address and contact information so that a kit can be mailed to you. If you have any questions, please call the health dept. at 330-675-2489. Click here for the video: <https://www.surveymonkey.com/r/2MCWKBD>

### ***Trumbull County Combined Health District***

176 Chestnut Ave. NE  
Warren, OH 44483  
(330) 675-2489  
[www.tcbh.org](http://www.tcbh.org)

**RESIDENTIAL TREATMENT (REHAB)**

When people think of drug treatment or “rehab,” they often think of residential treatment. The patient is required to live at the facility for perhaps 1-3 months, or sometimes longer. Without outside distractions, the individual is free to concentrate more fully on recovery. Access to an inpatient program can depend on insurance coverage, or the ability to pay. Some programs are publicly funded but admission may be based on referral from other agencies. Unfortunately, the need for these services is greater than their availability, so sometimes you may be placed on a waiting list. Outpatient counseling or some other supportive plan is advisable while waiting.

**Recovery Coaches/Peer Supporters**

A Recovery Coach, also called a Peer Supporter, is a person who links the newly recovering person to the recovering community, and serves as a personal guide and mentor. Coaches are not therapists and do not offer counseling, therapy or any other clinical services. They are peers who assist people on the path from a life of addiction to a life in recovery. Coaches have personal experience in navigating this path. They help individuals in recovery address areas of their lives that have been negatively impacted by addiction, including housing, education and employment.

## **SPECIAL POPULATIONS**

Every person has their own unique story and every addict has something in common with other addicts. There are certain populations that may benefit from specialized treatment and there are agencies and programs designed to serve them in unique ways. This is not an exclusive list of agencies offering specialized support. Included are some of those emphasizing service to these groups.

### **ADOLESCENTS**

#### ***Alta Care Group***

Alta's Alcohol, Tobacco and Other Drug program provides outpatient services to adolescents with a focus on identifying and treating substance abuse issues early in the youths' lives. This includes the WHY program, an assessment and brief treatment service for schools and families to utilize as an "Alternative to Expulsion" option.

1950 Niles-Cortland Rd. NE

Warren, Ohio 44484

330-793-2487

[www.altabehavioralhealthcare.org](http://www.altabehavioralhealthcare.org)

#### ***Thrive Counseling***

Thrive Counseling's Adolescent Intensive Outpatient Treatment Program provides substance use disorder counseling and education through a series of sessions appropriate to the plans of the persons served. Services are provided during mornings or evenings. The Adolescent Intensive Outpatient Treatment Program is considered to be more intensive than traditional outpatient services.

1705 Woodland St NE

Warren, OH 44483

(330) 469-6777

[www.thrivecounselingwarren.com](http://www.thrivecounselingwarren.com)

#### ***Travco Behavioral Health (an affiliate of First Step Recovery)***

Offers treatment appropriate to the child or adolescent's age, development, culture, and education to addresses needs related to the development of community living skills, social skills, social supports, and vocational skills. Intensive and Non-Intensive Outpatient treatment is offered to promote education on wellness and recovery. Travco's holistic approach offers counseling, family and group therapy, urinalysis, case management, pediatric psychiatry and medication management.

2671 Youngstown Road, SE

Warren, OH 4484

(330) 286-0050

### **MORE ADOLESCENT SERVICES:**

#### ***RISE Recovery Teen Addiction Services***

If your teen is struggling with substance abuse, we understand how scary and challenging that is. RISE Recovery offers medication-assisted treatment (MAT), evaluation and clinical assessment, counseling and integrated health services (medical and dental).

**TREATMENT FOR LICENSED PROFESSIONALS**

Addiction is a disease that affects all people and does not discriminate by race, class or profession. Addiction is particularly destructive for skilled and licensed professionals due to the demands and expectations of their work.

***Glenbeigh Rock Creek***

The consequences of addiction experienced by professionals are a primary focus of this specialty group. Patients work on developing a healthy recovery program within their professional role and address the requirements mandated by their respective licensure and monitoring boards. Glenbeigh is an approved provider with most professional boards.

**TOBACCO CESSATION TREATMENT**

***Mercy Health- New Start Treatment Center for Chemical Dependency***

Those seeking help for substance use disorders smoke cigarettes or use tobacco products at a rate that is 3-4 times the average population. Programs at St Joseph Hospital Warren/New Start Treatment Center & the Regional Tobacco Treatment Center treat both addictions simultaneously or one after the other. There are no out of pocket costs to the participant. This includes both behavioral counseling provided by a licensed chemical dependency counselor/certified tobacco treatment specialist and 6 weeks of prescription and/or over the counter medication.
