## Measurable Objectives

Reduce Substance Abuse (cont.)

### Action Steps

- Create community-wide safe medication storage and disposal education campaign – Operation Empty Medicine Cabinet
- Identify neighborhoods with highest incidences of overdoses and provide resources to those neighborhoods
- Partner with Kent State University on marketing project focused on the Opioid Epidemic
- Social Media campaign on addiction awareness and prevention
- Implement Generation RX Program in schools
- Increase anti-stigma message - Addiction is a Disease – not a choice
- Increase participation on Opiate Death Review Committee

### Metrics

- Increase in use of medication disposal sites and events
- # of door hangers distributed by ASAP members
- Output of the Media and Movement Workshop: The Opioid Epidemic Workshop
- # of followers on ASAP and TCMHRB Facebook pages
- Program occurring in 5 Trumbull County Schools
- # of sectors represented

### Person(s) Responsible

- ASAP Coalition
- TCMHRB
- ASAP/TCMHRB
- TCMHRB/ASAP
- TCCHD
- ASAP
- TCMHRB
- TCCHD

### Time Frame

- Jan 2018 - Dec 2018
- October 2017
- Spring Semester 2018
- Ongoing 2018-2019 school years
- Ongoing
- Ongoing

### Status

- Funded by Mercy Health Fnd., TMH Fnd. and TCMHRB
- Door hanger 10/27/17
- 4 projects were developed
- Completed
- Know the Risks campaign current
- 5 schools - Spring 2018
- 2018- WKBN, WFMJ, billboards, radio, movie theatres, print
- Who else should be invited?
## Priority 3: Self and Community Care of First Responders
